INDEPENDENT ACCOUNTANTS' COMPILATION REPORT

To the Board of Directors Ruth St. John and John Dunham West Foundation, Inc. Manitowoc, Wisconsin

Management is responsible for the accompanying condensed financial statements of Ruth St. John and John Dunham West Foundation, Inc. (a nonprofit organization) which comprise the condensed statements of financial position as of December 31, 2023 and 2022, and the related condensed statements of activities for the years then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all of the disclosures and the statements of cash flows in accordance with accounting principles generally accepted in the United States of America. If the omitted disclosures, and statements of cash flows were included in the condensed financial statements, they might influence the user's conclusions about the Foundation's financial position, change in net assets, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

The accompanying 2023 and 2022 condensed financial statements were compiled by us from financial statements that did not omit substantially all of the disclosures and the statements of cash flows required by accounting principles generally accepted in the United States of America that we previously audited as indicated in our report dated March 13, 2024.
